R304

Dear National Fire Academy Student:

Congratulations on being selected to attend the U.S. Fire Administration's National Fire Academy's *Command and Control of Fire Department Operations at Multi-Alarm Incidents* course.

This course is designed for fire officers who have the responsibility of conducting significant fire and rescue operations involving multi-alarm units. Some of the subjects covered in this course are: rapid fireground decision making; advanced applications in incident command; command and control; safety; personnel accountability; and communications.

This course is very interactive, relying heavily on simulations as the primary instructional medium. You will be challenged with realistic simulations that require you to evaluate multiple hazards that are predominant in significant fire and rescue incidents. Fire department emergencies involving multi-family occupancies, hotels, commercial occupancies, large shopping malls, railroad incidents, wildland, and highrise are just some of the incidents that will be simulated.

Due to the complexity of the command and control procedures required in this course, it is imperative that you have a solid foundation in the incident command system. On the first day of class, you will be evaluated regarding your competency in this area. We strongly suggest that, prior to attendance, you make every effort to be proficient in this area.

Increasingly, students and instructors are bringing laptop computers to campus. Although not required, you are encouraged to consider doing so. REMINDER: You alone are responsible for security and maintenance of your equipment. The Academy cannot provide you with computer software, hardware, or technical support to include disks, printers, scanners, etc. There are a limited number of 120 Volt AC outlets in the classrooms. A Student Computer Lab is located in Building D and is available for all students to use. It is open daily with technical support provided in the evenings. This lab uses Windows 2000 and Office XP as the software standard.

Should you need additional information related to course content or requirements, please feel free to contact Mr. Robert Murgallis, Incident Policy and Analysis Curriculum Training Specialist at (301) 447-1347 or email at [Robert.Murgallis@dhs.gov](mailto:Robert.Murgallis@dhs.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Denis Onieal".

Dr. Denis Onieal, Superintendent  
National Fire Academy  
U.S. Fire Administration

## ***NFA WELCOME PACKAGE***

The following information is provided to help you plan your travel to the National Emergency Training Center (NETC) in order to have a more productive and enjoyable training experience. Even if you've taken classes at NETC previously, please read it carefully--***procedures may have changed since you were here last, and you will be responsible for complying with the current procedures.*** The last page of this package is entitled "CONTACT INFORMATION." We suggest you print it and provide a copy to your family and office staff in case they need to contact you during your stay. Although *friends or family may not stay in Housing*, they are welcome to attend graduation. Please contact Security before their arrival for current security protocol required for their entry to campus.

If you have any questions, you may call us at either (800) 238-3358 or (301) 447-1000. When you reach the operator, ask for the relevant extension:

- **Housing/Transportation---1048/1113**
- **Admissions---1035**
- **Food Service (Guest Services)---1551**
- **Security---1111**

If you need to fax information to any of the following offices, please note the following fax numbers:

- **Housing/Transportation: (301) 447-1324**
- **Admissions: (301) 447-1441**
- **Food Service: (301) 447-6944**

**SECURITY**

**Due to increased security precautions, students should bring two photo ID's to campus. PLEASE HAVE THEM WITH YOU, NOT IN YOUR BAGGAGE!** If you do not have the photo ID's, you will not be permitted on campus. Security checks will delay your registration at the NETC.

**If you are a student from a foreign country**, please be prepared to show your passport or visa at registration.

### **Firearms: Prohibited on campus!**

Due to heightened security requirements, please understand that security and law enforcement personnel may search you, your vehicle or your luggage. Maryland law is very narrow in its definition of Law Enforcement Officers who may carry firearms. For your own protection, and to expedite your processing into the NETC, **do not bring weapons of any kind to campus.** Weapons include knives with blades longer than 3 inches, machete, bow & arrows, ammunition, rifles, shotguns, pistols, etc. Sworn/Commissioned and state POST certified officers and federal officers or local officers with concurrent jurisdiction who require a firearm for the performance of **required official duties** must obtain an exception from the Director of Support Services or the NETC Security Specialist at (301) 447-1000 **prior** to arrival on campus. If you do arrive at NETC with weapons of any kind without prior approval, your entry to campus will be significantly delayed.

**TRAVEL**

### **TRAVEL BY AIR:**

- You must make your own travel arrangements.
- You need to be sure your flights meet the shuttle pickup/departure times, and the ticket purchase follows the parameters of travel as defined under "REIMBURSEMENT" in this package.

### **NETC SHUTTLE SERVICE:**

Shuttle service is available between NETC and the airport(s) listed on the “COURSE SPECIFIC INFORMATION” sheet – a pink page enclosed with the acceptance letter you received for this class. **Read it carefully before making flight arrangements!**

If you need bus transportation to NETC from the airport, you should plan to arrive at least 1 hour before bus departure time. **You must call the NETC Transportation Office at least 1 week prior to course start date to reserve a seat. IF YOU DO NOT CALL, SEATING MAY NOT BE AVAILABLE AND TRANSPORTATION TO EMMITSBURG WILL BE AT YOUR OWN EXPENSE.**

**Our transportation will be either a motor coach/charter bus identified with NETC signage in the front window/door, or a maroon passenger van with the NETC signage in the front window.** You may contact the NETC Transportation Office a day before your arrival to inquire as to which vehicle will be used. For airport security reasons, **our drivers cannot leave their vehicles** and must circle the airport pickup area, **SO YOU WILL NEED TO LOOK FOR THE BUS OR VAN.** *If you do not see the vehicle 5 minutes prior to the pickup time, please call the NETC Transportation Office for guidance.*

**SHUTTLE PICKUP POINTS AT EACH AIRPORT:** *(check your pink “Course Specific Information” sheet as to which airport you may use. You can **ONLY** use the airport listed on that sheet! Ground transportation from other airports may be at your own expense. If your **scheduled arrival time** does not coincide with the shuttle schedule, ground transportation will be at your own expense as well.)*

- **Ronald Reagan National Airport (DCA):** Pickup is near the Travelers’ Aid Desk in Terminal ‘B’ (Lower Level, between gates 5 & 6). Buses depart from the inside lane and vans depart from the outside lane. If you arrive in Terminal ‘A’ please take the Economy/Rental Car airport bus shuttle to Terminal ‘B’, lower level, or walk across the terminal connector and go downstairs to exit door number 5, on your left.
- **Baltimore/Washington International Airport (BWI):** Pickup is near the Lower Level Baggage Claim Areas 10 & 11. There is not a Travelers’ Aid Desk in this location. Buses and vans depart from the outside lane.
- **Dulles International Airport (IAD):** There is a Traveler’s Aid Desk between Baggage Claim Areas 4 & 5 on the baggage level, located at the east end of the terminal. Go up the ramp and out exit-door number 6.

**DELAYED FLIGHTS:** If you were scheduled to use the NETC transportation and your flight was delayed for other than weather-related reasons, the airline is responsible for your transportation to NETC. If they will not transport you, please call the Transportation Office when you arrive at the airport (it will be approximately 2 hours before we can pick you up). **If you choose not to use NETC transportation and arrange for other transportation, it will be at your own expense.**

### **IF DRIVING:**

- You may arrive on campus any time after 12:30 p.m. the day before your course begins.
- You must depart campus after the end of your course, except for courses with a next-day departure date.
- Student parking is provided north of the NFA classroom building (J Building).
- Your vehicle must be registered at Housing/Security for stipend/security reasons, even if you do not stay on campus.

## REGISTRATION

### Where do I register?

- Class, dormitory, and vehicle registration will take place in Building C Lobby.
- You may have to walk some distance to your lodging. We recommend you bring luggage with wheels.

### If I am claiming travel reimbursement, what do I need at registration?

- **A copy of a check for an account that bears your name. Deposit slips or accounts for an organization or another individual are not acceptable;** a copy of a check is the best source for the correct financial information.
  - \* We've found it speeds up registration if you fax the information to the Admissions Office (301) 447-1441 **prior** to your course start date. Please include your name, Social Security Number, and course code/title/date on the fax. Please be sure that the copy is legible.
  - \* If your account is with a credit union, or if the account is payable through another bank, please have the bank provide you with the routing and account numbers for ACH deposit.
  - \* If you do not have a personal account, please contact the Admissions Office **PRIOR** to your arrival for further instructions.
- **If traveling by air or train you will need a copy of your ticket** that shows an itinerary of your trip, indicates proof that the ticket was purchased at least 21-days in advance, shows a zero balance, and is non-refundable.
  - \* If you have an electronic ticket, you must submit the itinerary/receipt (with ticket number and actual ticket amount shown as having been paid).
  - \* If you incurred additional expenses for transportation/lodging/meal costs, **you must receive prior written approval** to be eligible for reimbursement of these expenses. If approved, **original receipts must** be presented at the time of your arrival.
- **If driving**, in addition to account information,
  - \* Automobile registration
  - \* Odometer readings
  - \* License tag number
  - \* If you are driving a state, county or municipal vehicle, you must submit a signed statement from the owning agency on letterhead stationery requesting reimbursement for the student.

### What if I am here for back-to-back courses?

- You will be housed in the same room for the entire length of the stay.
- **If you stay off campus between the two courses**, you will need to purchase a meal ticket for the weekend between the courses to keep the same room. Otherwise, you must check out of housing after the first course ends (turn in the keycard and remove your belongings), and be assigned a new room upon your return.
- **If you choose to leave campus between courses**, any additional expenses that you may incur shall remain your responsibility.

## LODGING

### **Must I call to make a lodging reservation?**

- No, rooms are randomly assigned once you are accepted into a course. Because of the random assignment of rooms, you may or may not be lodged in the same building as your classmates.

## FREQUENTLY ASKED REIMBURSEMENT QUESTIONS

1. **Why must I be reimbursed electronically?** Public Law 104-134 mandates that after January 1, 1999, all Federal payments shall be made by electronic funds transfer unless a waiver is obtained from the Secretary of the Treasury.
2. **If my organization paid for my ticket, may I request that the reimbursement to go to them?** No. Due to increased restrictions by the receiving financial institutions, we will only deposit money into an account bearing your name. It shall be your responsibility to reimburse your organization. This policy was effective on January 1, 2002.
3. **What if I don't have a checking account?** The money can be deposited into a savings account. You need to call the Admissions Office (301-447-1035) and we will send you a form to complete. If you don't have a checking or savings account, you **MUST** submit a letter stating that fact, and a check will be sent to your home address. However, your reimbursement will take longer (up to 12 weeks).
4. **How will I know when it's deposited?** The entry in an account may differ from bank to bank, but most likely it will be listed as "FED SALARY, FEM2, or TREAS" and will probably **NOT** have your name next to it.
5. **How long will it take for me to receive reimbursement?** The reimbursement should be made to your account no later than 6-8 weeks from the course start date. If after 8 weeks you still haven't received your reimbursement, please call the Admissions Office at (301) 447-1035 or email us at [netc-admissions@dhs.gov](mailto:netc-admissions@dhs.gov) to check on the status of your claim.
6. **Do I receive reimbursement for parking, shuttles and travel between my home and my local airport?** No, those expenses are part of the student's share of the stipend program.
7. **Will I be reimbursed for my meals?** No, that expense is also part of the student's share of the stipend program.
8. **What information should I bring when driving my Privately Owned Vehicle (POV)?** You must show a picture ID (we recommend you bring two in case our security level is elevated), registration card, and have your odometer readings and license tag number **PRIOR** to receiving your room key. Some states do not require the registration to be in the vehicle. However, you must submit a copy of your POV registration to be eligible for a stipend.
9. **What if I'm driving with family, and they will be using the car off campus while I'm at NETC?** You must register your car on campus prior to your family taking the car off campus or you will not be eligible for reimbursement.
10. **What documentation do I need if I am driving my organizational vehicle and they want to be reimbursed for my mileage?** In addition to the information listed in question #8, you also need a statement from your organization, on organization letterhead, stating that they would like you to receive reimbursement. If you carpool with another student, only one driver will be reimbursed. As stated in #2, the reimbursement will be made to your account, and it will be your responsibility to reimburse your organization.
11. **What is the basis for the driving mileage allowance?** Your reimbursement will be limited to the current POV Federal mileage allowance, or the state ceiling, **WHICHEVER IS LESS**. POV mileage is subject to validation.
12. **What if I am submitting an electronic airline ticket?** You must submit the itinerary receipt (listing the ticket number and showing that payment was made) at registration. If the itinerary does not identify that the ticket is non-refundable, you need to provide us with documentation that the ticket is either non-refundable or the cheapest fare available at the time you purchased your ticket. If you do not provide the documentation to us, we will only reimburse you for the amount shown as your state's ceiling amount on the reverse of this page.
13. **What do I need to provide if I take a side/extended trip?** If the cost is less than your state's ceiling amount, you will be reimbursed for the cost of the ticket. If the cost is higher than your state's ceiling amount, your reimbursement will be limited to your state's ceiling amount.

14. **What would delay my stipend being processed?** Not having any of the following: your airline ticket, itinerary with ticket number and payment made, POV information, request from your organization for reimbursement, or the appropriate direct deposit information. If you bank with a credit union, please have them confirm your routing and account numbers.
15. **What would reduce my stipend claim?** Your stipend might be reduced if you purchased a refundable, first- or business-class ticket; took side trips or had extended stays; or purchased your ticket within 21 days of the course start date.
16. **Will I be reimbursed for the airfare if frequent flyer miles are used?** Frequent flyer miles cannot be reimbursed because you would not be incurring out-of-pocket expenses.

**THIS TABLE WILL BE USED TO DETERMINE REIMBURSEMENT FOR  
THOSE STUDENTS WHO:**

- Drove or traveled by train
- Did not purchase their tickets at least 21-days in advance
- Did not purchase or show proof of non-refundable fare
- Took side-trips or had extended stayovers
